General quality indicators of scientific research

This section describes briefly the main quality indicators of scientific production (periods of research activity, experience in supervising doctoral theses, total citations, articles in journals of the first quartile, H index...). It also includes other important aspects or peculiarities.

H-index: 19

Francisco Sanz Herrero

Surname(s): **Sanz Herrero**
Name: **Francisco**
ORCID: **0000-0003-4076-0816**
Gender: **Male**
Nationality: **Spain**
Country of birth: **Spain**
Aut. region/reg. of birth: **Valencian Community**
Contact province: **Valencia**
Contact country: **Spain**
Contact aut. region/reg.: **Valencian Community**

Current professional situation

- 1** **Employing entity:** Consorci Hospital General Universitari de València **Type of entity:** Healthcare Institutions
Professional category: Director Médico Asistencial
Start date: 26/10/2022
- 2** **Employing entity:** Universitat de València **Type of entity:** University
Professional category: Profesor asociado asistencial
Start date: 2016
- 3** **Employing entity:** Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Department: Servicio de Neumología
Professional category: Médico adjunto de neumología
Start date: 2002
Type of contract: Permanent employment contract

Previous positions and activities

	Employing entity	Professional category	Start date
	Hospital General Universitario de Valencia	Médico interno residente Neumología	1998

Employing entity: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Professional category: Médico interno residente Neumología
Start-End date: 1998 - 2002

Education

University education

1st and 2nd cycle studies and pre-Bologna degrees

1 University degree: Máster

Name of qualification: Máster en dirección de Unidades Clínicas

Degree awarding entity: Universidad de Murcia **Type of entity:** University

Date of qualification: 27/05/2017

2 Name of qualification: Acreditación europea en Neumología

Degree awarding entity: European Respiratory Society **Type of entity:** Sociedad Europea

Date of qualification: 2011

3 University degree: DEA

Name of qualification: Diploma de estudios avanzados

Degree awarding entity: Universitat de València **Type of entity:** University

Date of qualification: 2003

4 Name of qualification: Especialista en Neumología

Degree awarding entity: Ministerio de Sanidad y Consumo **Type of entity:** Administrative Body of the National Health System

Date of qualification: 2002

5 Name of qualification: Licenciado en Medicina y Cirugía

Degree awarding entity: Universitat de València **Type of entity:** University

Date of qualification: 1997

Doctorates

Doctorate programme: Programa Oficial de Doctorado en Medicina

Degree awarding entity: Universitat de València **Type of entity:** University

Date of degree: 24/03/2009

Specialised, lifelong, technical, professional and refresher training (other than formal academic and healthcare studies)

Training title: Especialista en Neumología

Awarding entity: MINISTERIO DE EDUCACION Y CIENCIA

End date: 31/12/2002

Language skills

Language	Listening skills	Reading skills	Spoken interaction	Speaking skills	Writing skills
English	B1	B1	B1	B1	B1
Catalan	C1	C1	C1	C1	C1

Teaching experience

Experience supervising doctoral thesis and/or final year projects

- Project title:** Valor pronóstico del estudio del perfil de miRNAs en la neumonía adquirida en la comunidad
Entity: Universitat de València **Type of entity:** University
Student: Silvia Vicente Ferrer
Date of reading: 07/05/2021
- Project title:** Iniciativa global de prevalencia, factores de riesgo y manejo para Staphylococcus aureus resistente a la meticilina, en pacientes hospitalizados con neumonía de la comunidad
Entity: Universitat de València **Type of entity:** University
Student: Marcos Restrepo
Date of reading: 27/09/2017

Healthcare experience

Healthcare innovation projects

- Name of the project:** Plan para la ordenación de la atención de urgencias en el Departamento Valencia-Hospital General. Urgencias Metropolitanas
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Start date: 02/06/2025
- Name of the project:** ORDENACIÓN Y FUNCIONAMIENTO DE LAS UNIDADES FUNCIONALES MULTIDISCIPLINARES DEL CONSORCI HOSPITAL GENERAL UNIVERSITARI DE VALÈNCIA
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Start date: 2024
- Name of the project:** Creación y puesta en marcha de una Unidad de Hospitalización Transitoria
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Start date: 2023

Conferences, courses and seminars focused on medical care

- 1** **City of entity:** Valencia, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 31/03/2017
XXIV Congreso de la Sociedad Valenciana de Neumología.
- 2** **City of entity:** Castellón, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 15/04/2016
XXIII Congreso de la Sociedad Valenciana de Neumología.
- 3** **City of entity:** Elche, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 27/03/2015
XXII Congreso de la Sociedad Valenciana de Neumología.
- 4** **City of entity:** Valencia, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 11/04/2014
XXI Congreso de la Sociedad Valenciana de Neumología.
- 5** **City of entity:** Peñíscola, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 19/04/2013
XX Congreso de la Sociedad Valenciana de Neumología.
- 6** **City of entity:** Benidorm, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 23/04/2012
XIX Congreso de la Sociedad Valenciana de Neumología.
- 7** **City of entity:** Gandía, Valencian Community, Spain
Organising entity: Sociedad Valenciana de Neumología **Type of entity:** Associations and Groups
City organizing entity: Valencia, Valencian Community, Spain
Date of presentation: 01/04/2011
XVIII Congreso de la Sociedad Valenciana de Neumología.

Scientific and technological experience

Scientific or technological activities

R&D projects funded through competitive calls of public or private entities

- 1** **Name of the project:** Analysis of the factors determining infection by pneumococcal serotypes and their relationship with the occurrence of complications in hospitalized bacteremic pneumococcal pneumonia. A multicenter ambispective study
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Funding entity or bodies: Merck Sharp & Dohme España, S.A. **Type of entity:** Business
Start-End date: 03/11/2025 - 03/11/2028
Total amount: 25.000 €
- 2** **Name of the project:** PI22/01712: Etiología de la neumonía adquirida en la comunidad tras la Pandemia COVID-19 en la era de las técnicas microbiológicas moleculares. Estudio multicéntrico nacional.
Entity where project took place: Hospital Universitario La Fe **Type of entity:** Healthcare Institutions
Name principal investigator (PI, Co-PI....): Rosario Menéndez Villanueva; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III **Type of entity:** Public Research Body
Start-End date: 01/01/2023 - 31/12/2025
- 3** **Name of the project:** PI19/00354: Efectividad de la vacunación antigripal y antineumocócica para prevenir la hospitalización en personas menores de 65 años que presentan condiciones de riesgo
Entity where project took place: Universitat de Barcelona **Type of entity:** University
Name principal investigator (PI, Co-PI....): Ángela Domínguez García; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III **Type of entity:** Public Research Body
Start-End date: 01/01/2020 - 30/06/2024
- 4** **Name of the project:** PI18/01068: Infecciones por micobacterias no tuberculosas (MNT) en España: estudio clínico-epidemiológico, microbiológico y de patogenicidad
Entity where project took place: Universitat de Barcelona **Type of entity:** University
Name principal investigator (PI, Co-PI....): Fernando Alcaide Fernández de Vega; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III **Type of entity:** Public Research Body
Start-End date: 01/01/2019 - 30/06/2023

- 5** **Name of the project:** Altered red blood cell metabolism in COVID-19: a source of biomarkers to predict disease outcome in the elderly population
Entity where project took place: Hospital General Universitario de Valencia
Funding entity or bodies: Merck Sharp & Dohme España, S.A.
Start-End date: 05/03/2021 - 05/03/2023
Total amount: 19.989,2 €
Type of entity: Healthcare Institutions
Type of entity: Business
- 6** **Name of the project:** PI17/01250: Estudio del efecto de la hipoxia en la degranulación, producción de citoquinas y perfil oxidativo de neutrófilos de pacientes con déficit de alfa-1 antitripsina
Entity where project took place: Universitat de València
Name principal investigator (PI, Co-PI....): Francisco Dasí Fernández; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III
Start-End date: 01/01/2018 - 30/06/2021
Type of entity: University
Type of entity: Public Research Body
- 7** **Name of the project:** PI14/02162: Análisis de parámetros de estrés oxidativo, función mitocondrial, longitud de telómeros y perfil de miRNAs circulantes en pacientes con déficit de alfa-1 antitripsina. Implicaciones pronósticas
Entity where project took place: Universitat de València
Name principal investigator (PI, Co-PI....): Francisco Dasí Fernández; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III
Start-End date: 01/01/2015 - 31/03/2018
Type of entity: University
Type of entity: Public Research Body
- 8** **Name of the project:** PI12/02079: Efectividad de la vacunación antigripal y antineumocócica polisacárida 23-valente en personas de 65 años y más
Entity where project took place: Universitat de Barcelona
Name principal investigator (PI, Co-PI....): Francisco Sanz Herrero; Ángela Domínguez García
Funding entity or bodies: Instituto de Salud Carlos III
Start-End date: 25/05/2013 - 31/12/2015
Type of entity: University
Type of entity: Public Research Body
- 9** **Name of the project:** PI11/02884: Estudio de la utilidad clínica del perfil de estrés oxidativo y de la expresión de miRNA, en sangre y en condensado de aire exhalado, en pacientes con déficit de alfa-1 antitripsina
Entity where project took place: Universitat de València
Name principal investigator (PI, Co-PI....): Francisco Sanz Herrero; Francisco Dasí Fernández
Funding entity or bodies: Instituto de Salud Carlos III
Start-End date: 01/01/2012 - 31/12/2014
Type of entity: University
Type of entity: Public Research Body

- 10** **Name of the project:** PI04/1861: Condensado del aire exhalado en sujetos normales y con patología de la vía aérea, variabilidad y valor diagnóstico del pH y la concentración de NOX
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Name principal investigator (PI, Co-PI....): Rafael Navarro Iváñez; Francisco Sanz Herrero
Funding entity or bodies: Instituto de Salud Carlos III **Type of entity:** Public Research Body
Start-End date: 01/01/2005 - 31/12/2007
- 11** **Name of the project:** Edición génica del gen SERPINA-1 mediante el uso de CRISPR/Cas9 en monocitos de pacientes con déficit de alfa-1 antitripsina.
Entity where project took place: Universitat de València **Type of entity:** University
Name principal investigator (PI, Co-PI....): Francisco Dasí Fernández; Francisco Sanz Herrero
Funding entity or bodies: Sociedad Española de Neumología y Cirugía Torácica **Type of entity:** Associations and Groups
Start date: 01/01/2016
- 12** **Name of the project:** Valor diagnóstico del estudio de microRNAs en el condensado de aire exhalado en el cáncer de pulmón
Entity where project took place: Hospital General Universitario de Valencia **Type of entity:** Healthcare Institutions
Name principal investigator (PI, Co-PI....): Francisco Sanz Herrero
Funding entity or bodies: Sociedad Española de Neumología y Cirugía Torácica **Type of entity:** Associations and Groups
Start date: 01/01/2013

Scientific and technological activities

Scientific production

Publications, scientific and technical documents

- 1** Evaluation of suPAR as a Key Prognostic Biomarker in Patients with SARS-CoV-2 Pneumonia. Biomedicines. 2025.
Type of production: Scientific paper
- 2** Early estimates of nirsevimab immunoprophylaxis effectiveness against hospital admission for respiratory syncytial virus lower respiratory tract infections in infants, Spain, October 2023 to January 2024. Euro Surveill. 2024.
Type of production: Scientific paper
- 3** Eosinophilic fasciitis following SARS-CoV-2 vaccination. JAAD Case Rep. 2023.
Type of production: Scientific paper

- 4** Abnormal liver chemistry constitutes an independent prognostic factor of less favorable clinical course in patients with COVID-19. Rev Esp Enferm Dig. 2022.
Type of production: Scientific paper
- 5** Acute Myocardial Injury During SARS-CoV-2 Pneumonia and Long-term Prognosis. J Gen Intern Med. 2022.
Type of production: Scientific paper
- 6** Bacterial Patterns and Empiric Antibiotic Use in COPD Patients With Community-Acquired Pneumonia. Arch Bronconeumol. 2022.
Type of production: Scientific paper
- 7** Ceftazidime-avibactam. Rev Esp Quimioter. 2022.
Type of production: Scientific paper
- 8** Prevalence of bleeding secondary to anticoagulation and mortality in patients with atrial fibrillation admitted with SARS-CoV-2 infection. Med Clin (Barc). 2021.
Type of production: Scientific paper
- 9** Methylprednisolone added to tocilizumab reduces mortality in SARS-CoV-2 pneumonia: An observational study. Journal of Internal Medicine. 10.1111/joim.13145, 30/06/2020.
Type of production: Scientific paper **Format:** Journal
- 10** Prevalence and risk factors for Enterobacteriaceae in patients hospitalized with community-acquired pneumonia. Respirology. 25 - 5, pp. 543 - 551. 05/2020.
Type of production: Scientific paper **Format:** Journal
- 11** Aspiration Risk Factors, Microbiology, and Empiric Antibiotics for Patients Hospitalized With Community-Acquired Pneumonia. Chest. 2020.
Type of production: Scientific paper
- 12** International prevalence and risk factors evaluation for drug-resistant Streptococcus pneumoniae pneumonia. Journal of Infection. 79 - 4, pp. 300 - 311. 10/2019.
Type of production: Scientific paper **Format:** Journal
- 13** Cryptic Resistance Mutations Associated With Misdiagnoses of Multidrug-Resistant Tuberculosis. Journal of Infectious Diseases. 220 - 2, pp. 316 - 320. 19/06/2019.
Type of production: Scientific paper **Format:** Journal
- 14** An international perspective on hospitalized patients with viral community-acquired pneumonia. European Journal of Internal Medicine. 60, pp. 54 - 70. 02/2019.
Type of production: Scientific paper **Format:** Journal
- 15** Adaptation of antibiotic treatment to clinical practice guidelines in patients aged ≥ 65 years hospitalised due to community-acquired pneumonia. Epidemiology and Infection. 146 - 14, pp. 1870 - 1877. 10/2018.
Type of production: Scientific paper **Format:** Journal
- 16** Asthma and influenza vaccination in elderly hospitalized patients: Matched case-control study in Spain. Journal of Asthma. 55 - 4, pp. 391 - 401. 03/04/2018.
Type of production: Scientific paper **Format:** Journal

- 17** A Composite of Functional Status and Pneumonia Severity Index Improves the Prediction of Pneumonia Mortality in Older Patients. *Journall of General and Internal Medicine*. 33 - 4, pp. 437 - 444. 04/2018.
Type of production: Scientific paper **Format:** Journal
- 18** Asthma in older people hospitalized with influenza in Spain: A case-control study. *Allergy Asthma Proceodings*. 38 - 4, pp. 277 - 285. 01/07/2017.
Type of production: Scientific paper **Format:** Journal
- 19** High endocan levels are associated with the need for mechanical ventilation among patients with severe sepsis. *European Respiratory Journal*. 50 - 1, pp. 1700013. 07/2017.
Type of production: Scientific paper **Format:** Journal
- 20** [Consensus document on pneumococcal vaccination in adults at risk by age and underlying clinical conditions. 2017 Update]. *Revista Española de Quimioterapia*. 30 - 2, pp. 142 - 168. 15/02/2017.
Type of production: Scientific paper **Format:** Journal
- 21** Effectiveness of 23-valent pneumococcal polysaccharide vaccination in preventing community-acquired pneumonia hospitalization and severe outcomes in the elderly in Spain. *PLoS One*. 12 - 2, pp. e0171943. 10/02/2017.
Type of production: Scientific paper **Format:** Journal
- 22** Endothelial adhesion molecules and multiple organ failure in patients with severe sepsis. *Cytokine*. 88, pp. 267 - 27. 12/2016.
Type of production: Scientific paper **Format:** Journal
- 23** Global initiative for meticillin-resistant *Staphylococcus aureus* pneumonia (GLIMP): an international, observational cohort study. *Lancet Infectious Diseases*. 16 - 12, pp. 1364 - 1376. 12/2016.
Type of production: Scientific paper **Format:** Journal
- 24** Accelerated telomere attrition in children and teenagers with α 1-antitrypsin deficiency. *European Respiratory Journal*. 48 - 2, pp. 350 - 358. 08/2016.
Type of production: Scientific paper **Format:** Journal
- 25** The potential role of 13-valent pneumococcal conjugate vaccine in preventing respiratory complications in bacteraemic pneumococcal community-acquired pneumonia. *Vaccine*. 34 - 15, pp. 1847 - 1852. 04/2016.
Type of production: Scientific paper **Format:** Journal
- 26** Effect of influenza vaccination on the prognosis of hospitalized influenza patients. *Expert Review Vaccines*. 15 - 3, pp. 425 - 432. 03/03/2016.
Type of production: Scientific paper **Format:** Journal
- 27** Factors Associated with Influenza Vaccination of Hospitalized Elderly Patients in Spain. *PLoS One*. 11 - 1, pp. e0147931. 29/01/2016.
Type of production: Scientific paper **Format:** Journal
- 28** Accuracy of PaO_2/FiO_2 calculated from SpO_2 for severity assessment in ED patients with pneumonia. *Respirology*. 20 - 5, pp. 813 - 818. 07/2015.
Type of production: Scientific paper **Format:** Journal
- 29** Chromogranin A levels and mortality in patients with severe sepsis. *Biomarkers*. 20 - 3, pp. 171 - 176. 03/04/2015.
Type of production: Scientific paper **Format:** Journal

- 30** Decreased glutathione and low catalase activity contribute to oxidative stress in children with α -1 antitrypsin deficiency: Table 1. Thorax. 70 - 1, pp. 82 - 83. 01/2015.
Type of production: Scientific paper **Format:** Journal
- 31** Resistencia a fármacos antituberculosos de primera línea en España durante 2010-2011. Estudio RETUBES. Archivos de Bronconeumología. 51 - 1, pp. 24 - 30. 01/2015.
Type of production: Scientific paper **Format:** Journal
- 32** Does prolonged onset of symptoms have a prognostic significance in community-acquired pneumonia?. Respiriology. 19 - 7, pp. 1073-1079. 10/2014.
Type of production: Scientific paper **Format:** Journal
- 33** Report of 38 cases of tracheobronchitis in non-immunocompromised patients with dual isolation of Aspergillus in lower respiratory tract samples. Revista Española de Quimioterapia. 27 - 2, pp. 110 - 114. 01/06/2014.
Type of production: Scientific paper **Format:** Journal
- 34** Recomendaciones de vacunación frente a neumococo en enfermos renales en España. Nefrología. 34 - 5, pp. 545 - 692. 06/2014.
Type of production: Scientific paper **Format:** Journal
- 35** [Consensus document on pneumococcal vaccination in adults with risk underlying clinical conditions]. Revista Española de Quimioterapia. 3 - 2, pp. 142 - 168. 01/09/2013.
Type of production: Scientific paper **Format:** Journal
- 36** Fibrosis mediastínica y síndrome de vena cava superior. Archivos de Bronconeumología. 49 - 8, pp. 340 - 342. 08/2013.
Type of production: Scientific paper **Format:** Journal
- 37** Manejo de la amiloidosis traqueobronquial mediante técnicas broncoscópicas terapéuticas. Archivos de Bronconeumología. 49 - 5, pp. 207 - 209. 05/2013.
Type of production: Scientific paper **Format:** Journal
- 38** Repeated Aspergillus isolation in respiratory samples from non-immunocompromised patients not selected based on clinical diagnoses: colonisation or infection?. BMC Infectious Diseases. Nov - 12, pp. 295. 12/2012.
Type of production: Scientific paper **Format:** Journal
- 39** Clinical features of invasive pulmonary aspergillosis vs. colonization in COPD patients distributed by gold stage. Journal of Infection. 65 - 5, pp. 447 - 452. 11/2012.
Type of production: Scientific paper **Format:** Journal
- 40** Hypocapnia and Hypercapnia Are Predictors for ICU Admission and Mortality in Hospitalized Patients With Community-Acquired Pneumonia. Chest. 142 - 5, pp. 1193 - 1199. 11/2012.
Type of production: Scientific paper **Format:** Journal
- 41** Microbiology and Risk Factors for Community-Acquired Pneumonia. Seminars Respiratory Critical Care Medicine. 33 - 3, pp. 220 - 231. 06/2012.
Type of production: Scientific paper **Format:** Journal
- 42** Nuevos retos para el neumólogo en el diagnóstico de la infección latente tuberculosa: tratamientos biológicos y tuberculosis pulmonar. Archivos de Bronconeumología. 47 - 7, pp. 375. Vol. 47. Núm. 7. páginas 375, 07/2011.
Type of production: Scientific paper **Format:** Journal

- 43** Hypoxemia Adds to the CURB-65 Pneumonia Severity Score in Hospitalized Patients With Mild Pneumonia. Respiratory Care. 56 - 5, pp. 612 - 618. 01/05/2011.
Type of production: Scientific paper **Format:** Journal
- 44** Hot topics en infecciones respiratorias. Archivos de Bronconeumología. 47 - Supplement 1, pp. 41 - 45. 01/2011.
Type of production: Scientific paper **Format:** Journal
- 45** Hot topics en infecciones respiratorias. Archivos de Bronconeumología. 46 - Supplement 1, pp. 8 - 12. 01/2010.
Type of production: Scientific paper **Format:** Journal
- 46** Neumonía adquirida en la comunidad. Archivos de Bronconeumología. 46 - Supplement 7, pp. 26 - 30. . 2010 Oct;46 Suppl 7:26-3, 01/2010.
Type of production: Scientific paper **Format:** Journal
- 47** Nuevos retos en la neumonía comunitaria. Archivos de Bronconeumología. 46 - Supplement 6, pp. 22 - 26. 01/2010.
Type of production: Scientific paper **Format:** Journal
- 48** Varicella-zoster virus pneumonia in an adult population: Has mortality decreased?. Scand J Infect Dis. 42 - 3, pp. 215 - 221. 01/2010.
Type of production: Scientific paper **Format:** Journal
- 49** Is it possible to predict which patients with mild pneumonias will develop hypoxemia?. Respiratory Medicine. 103 - 12, pp. 1871 - 1877. 12/2009.
Type of production: Scientific paper **Format:** Journal
- 50** Neumonía en la población mayor de 70 años y con estado funcional limitado: estudio caso-control de pacientes institucionalizados. Revista Clínica Española. 207 - 11, pp. 548 - 554. 12/2007.
Type of production: Scientific paper **Format:** Journal
- 51** Inspired oxygen fraction achieved with a portable ventilator: Determinant factors. Respiratory Medicine. 100 - 9, pp. 1608 - 1613. Respir Med . 2006 Sep;100(9):1608-13, 09/2006.
Type of production: Scientific paper **Format:** Journal
- 52** Inmunodeficiencia primaria asociada a timoma. Medicina Clínica. 127 - 1, pp. 38 - 39. 06/2006.
Type of production: Scientific paper **Format:** Journal
- 53** Acute Pneumonitis After Subcutaneous Injection of Liquid Silicone as a Breast Implant in a Male-to-Female Transsexual. Archivos de Bronconeumología. 42 - 4, pp. 205 - 206. 04/2006.
Type of production: Scientific paper **Format:** Journal
- 54** Neumonía neumocócica en pacientes hospitalizados. Implicaciones terapéuticas de las resistencias a la penicilina y la eritromicina. Medicina Clínica. 120 - 8, pp. 292 - 294. 01/2003.
Type of production: Scientific paper **Format:** Journal

Works submitted to national or international conferences

- 1** **Title of the work:** Higher Prognostic Value Of Hypoxemia Than C-Reactive Protein In Bacteremic Pneumococcal Pneumonia
Type of contribution: Scientific paper
Sanz Herrero, F.; Fernandez-Fabrellas, E.; Berraondo, J.; Novella Sanchez, L.; Cervera, A.; Briones, M.; Aguar, M.; Chiner, E.; Sancho-Chust, J.; Senent, C.; Landete, P.; Climent, M.; Blanquer, J.; CAPAVANT Study Grp. "AMERICAN JOURNAL OF RESPIRATORY AND CRITICAL CARE MEDICINE". 187, 01/01/2013. ISSN 1073-449X, ISSN 1535-4970
- 2** **Title of the work:** Multilobar Infiltrates As A Poor Prognostic Factor In Community-Acquired Pneumonia
Type of contribution: Scientific paper
Novella Sanchez, L.; Sanz Herrero, F.; Fernandez Fabrellas, E.; Cervera Juan, A.; Briones, M.; Aguar, M.; Chiner, E.; Berraondo, J.; Herrera, S.; Miralles, C.; Sancho-Chust, J.; Senent, C.; Martinez, D.; Gil, L.; Blanquer Olivas, J.; CAPAVANT Study Grp. "AMERICAN JOURNAL OF RESPIRATORY AND CRITICAL CARE MEDICINE". 187, 01/01/2013. ISSN 1073-449X, ISSN 1535-4970
- 3** **Title of the work:** Oxidative Stress Is Increased In Serum Of Children With High-Risk (zz) Alpha-1 Antitrypsin Deficiency Phenotype
Type of contribution: Scientific paper
Sanz Herrero, F.; Escribano, A.; Amor, M.; Codoner, P.; Navarro Garcia, M.; Navarro, E.; Dasi, F. "AMERICAN JOURNAL OF RESPIRATORY AND CRITICAL CARE MEDICINE". 187, 01/01/2013. ISSN 1073-449X, ISSN 1535-4970

R&D management and participation in scientific committees

Scientific, technical and/or assessment committees

Committee title: Comité ejecutivo del área de tuberculosis e infecciones respiratorias de la Sociedad Española de Neumología y Cirugía Torácica
Primary (UNESCO code): 320000 - Medical Science
Secondary (UNESCO code): 320500 - Internal medicine
Tertiary (UNESCO code): 320508 - Pulmonary diseases
Affiliation entity: Sociedad Española de Neumología y Cirugía Torácica **Type of entity:** Associations and Groups
City affiliation entity: Barcelona, Spain
Start-End date: 01/01/2011 - 31/12/2014
